

BLOOD DONATION CAMP

“A drop today, a life tomorrow!”

Proud moments from our Blood Donation Camp at Sri Lalithambigai Medical College on **23.09.2021**.

“Giving blood is the real celebration” Honouring our Chancellor's birthday with a noble cause — saving lives through voluntary donation.

One pint can save three lives — and we proved it!” Blood Donation Camp held at **SLMCH**, Maduravoyal, spreading smiles through every drop.

A Total of 40 Participants donated blood in this Camp. Our official team at the blood center after preliminary screening collected blood from the donors. The donated blood was then stored properly before dividing into the components. The donors were given adequate rest and given certificates as a token of appreciation. The donated blood helped to save many lives at our Hospital.
