

# FREE MEDICAL HEALTH CAMP

A free medical health camp was organised at **Children's Home of Hope**, Maduravoyal as part of our college's regular outreach activities. The event aimed at providing accessible healthcare services, early disease detection, and referral support for under served populations in the locality. Camp Highlights: Total Patients Screened: 82 New Diabetes Cases Detected: 5 patients were newly diagnosed with diabetes and promptly treated. Referral Cases: 22 patients with conditions requiring advanced care were referred to **Sri Lalithambigai Medical College & Hospital** (SLMCH) for further evaluation. Follow-up Status: 1 patient has undergone radiological investigations at SLMCH as advised. 1 patient has consulted the specialty surgical department and is being planned for surgical intervention. Specialist Participation: Departments Involved: Community Medicine, General Surgery, Orthopaedics, Dermatology. Multidisciplinary support ensured comprehensive medical care, focused on screening, consultation, and health education. This medical camp reflects SLMCH's enduring commitment to extending quality medical care to communities in need "Caring Lives" in action.
