

FREE MEDICAL HEALTH CAMP

A free medical health camp was organised at **VGN Minerva, Nolambur**, on 02.02.2025 as part of our college's regular outreach activities. The event aimed at providing accessible healthcare services, early disease detection, and referral support for under served populations in the locality. Camp Highlights: Total Patients Screened: 45 New Diabetes Cases Detected: 9 patients were newly diagnosed with diabetes and promptly treated. Newly Diagnosed Hypertensive Cases 5. Referral Cases: 3 patients with conditions requiring advanced care were referred to **Sri Lalithambigai Medical College & Hospital (SLMCH)** for further evaluation. Several occupational illnesses were picked up and the patients were counseled on work Ergonomics. Specialist Participation: Department of Dermatology, General Medicine, Dentistry. This medical camp reflects SLMCH's enduring commitment to extending quality medical care to communities in need. "Caring Lives" in action.
