Subject: Application for increase in intake of 100 MBBS seats (from 150 seats to 250 seats) for AY 2025-26 - **Faculty of Medicine , Sri Lalithambigai Medical College and Hospital (Deemed to be University) -reg.**

Reference - Application No. : NMC/UGI/2025-26/000013

Dear Sir/Madam,

With reference to your above online application No. NMC/UGI/2025-26/000013 for increase in intake of 100 MBBS seats (from 150 seats to 250 seats) **Faculty of Medicine , Sri Lalithambigai Medical College and Hospital** for the Academic Year (A.Y.) 2025-26, the MARB has reviewed your application along with the documents submitted by your college, in light of MARB Regulation, 2023 and UG-MSR, 2023, public notice for inviting applications and Standard Assessment Form (SAF)/ Self Declaration Form (SDF), AEBAS and other reports etc., with following observations:

Faculty and infrastructure are adequate for 200 MBBS seats.

2. **It has been decided to permit the increase in intake of 50 (Fifty) MBBS Seats (from 150 seats to 200 seats) u/s 28(3) of the NMC Act, 2019.**

3. It is to inform you that you and your institution is fully responsible to fulfil and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material etc. throughout the academic year, as stipulated in Regulation of National Medical Commission (NMC). In case of false/wrong declaration or fabricated documents have been used for procuring permission of the MARB and the said misconduct is brought to the notice of National Medical Commission (NMC) or found during surprise assessment at any stage during any academic year, this letter of permission shall be cancelled and revoked. Besides, National Medical Commission (NMC) is entitled to take all such measures against you and your college/institution as permissible under the law in an event of non-compliance of the rules and regulation of the National Medical Commission.

4. It is mandatory to develop a website on the medical college/ institution and display all the information of the college, courses offered, faculty available and their experience of the last 5 years, students joined, and affiliating university and to display the hospital services, facilities available and the equipment in each specialty, also showing OP and IP census including births and deaths as per the municipal/ Govt. records.

5. Further, in addition to the same the applicant should ensure that the following criteria are met:

a. The Medical Assessment and Rating Board (MARB) reserves the right to

withdraw/cancel/revoke the Letter of Permission if it comes to the notice that the permission has been obtained from Medical Assessment and Rating Board (MARB) by misrepresentation of facts or fraud.

- b. The Medical Assessment and Rating Board (MARB) reserves the right to conduct surprise physical/ virtual inspection at any point of time and to take appropriate action accordingly.
 - c. It shall be the duty of the institution to abide by all such conditions laid down in the letter of permission and the MARB will have the right to seek such information or cause an enquiry into the matter to verify all such conductions are observed in both letter and spirit.
 - d. MARB has to right to take such measures, including issuing warning, imposition of monetary penalty, reducing intake or stoppage of admissions and recommending to the Commission for withdrawal of recognition, against a medical institution for failure to maintain essential standards specified by the Under-Graduate Medical Education Board or the Post Graduate Medical Education Board, as the case may be, in accordance with the regulation made under the Act.
 - e. It shall be incumbent upon the Medical College that the information relating to admission should be submitted within the time specified in the circular in this regards issued by this office from time to time. Any failure to submit the information within this time limit would be construed that the admission in the college were not in accordance with the statutory requirements, thereby enabling the Commission to proceed in accordance with law against the college.
 - f. The medical college/institution shall be responsible for installation and maintenance of AEBAS, close circuit camera, and HMIS, and other Information Technology as prescribed from time to time. The same should be made available to NMC as directed.
 - g. The institution is expected to correct all the deficiencies before the next renewal inspection to be conducted by the MARB. MARB reserves the right to cancel the LOP or not to renew the LOP if the deficiencies are not rectified.

Subject: Letter of Permission (LoP) for increase in intake of 50 (Fifty) MBBS seats (from 200 to 250), at Faculty of Medicine, Sri Lalithambigai Medical College and Hospital, Tamil Nadu for the Academic Year (A.Y.) 2026-27-Reg.

Dear Sir/Madam,

WHEREAS, Online Application/Scheme No. NMC/UGI/2026-2027/0053 was submitted to the Medical Assessment and Rating Board (MARB), National Medical Commission (NMC), seeking permission for an increase in intake of 50 (Fifty) MBBS seats at **Faculty of Medicine, Sri Lalithambigai Medical College and Hospital, Tamil Nadu** for the Academic Year (A.Y.) 2026-27-Reg.

2. WHEREAS, Section 28(2) of the National Medical Commission Act, 2019 mandates that every applicant shall submit a scheme to the Medical Assessment and Rating Board in such form and containing such particulars as may be prescribed under the relevant regulations. Further, the proviso to Regulation 9 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023 provides that an incomplete application, including one not accompanied by the mandatory documents prescribed under the Regulations, is liable to be rejected;

3. WHEREAS, Section 29 of the National Medical Commission Act, 2019 read with Regulation 11 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, requires the Medical Assessment and Rating Board, while considering a scheme under Section 28, to assess, inter alia, the adequacy of financial resources, availability of academic faculty, hospital facilities, infrastructure, and such other prescribed criteria necessary for the proper functioning of the proposed medical college;

4. WHEREAS, the Public Notice dated **22.12.2025** inviting applications for the Academic Year 2026-27 specifically stipulates that:

"The regulatory framework does not contemplate a 'work-in-progress' status at the time of application; rather, it obligates readiness and demonstrable compliance ab initio. Therefore, any plea of being in the process of completing infrastructure or requesting additional time defeats the very objective of the scheme under the Act and Regulations and is wholly impermissible."

5. WHEREAS, upon scrutiny of the application under Section 29 of the National Medical Commission Act, 2019, read with Regulations 11 and 12 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, and the Public Notice dated 22.12.2025, the following deficiencies were observed and communicated to the applicant through **Show Cause Notice dated 05.06.2026**:

7. **WHEREAS**, the applicant institution submitted its compliance report on **17.06.2026**, along with the documents furnished in support of its response to the Show Cause Notice. The compliance submitted by the applicant was duly examined by the Medical Assessment and Rating Board (MARB);

8. **WHEREAS**, Section 28(7) of the National Medical Commission Act, 2019 empowers the Medical Assessment and Rating Board (MARB) to conduct the evaluation and assessment/inspection of any medical institution at any time, either directly or through experts having integrity and experience in the medical profession, ***without any prior notice***. Accordingly, MARB conducted an inspection of the institution through duly appointed assessors, and the assessment report submitted by the assessors was examined by the Expert Committee constituted by MARB before making its recommendations.

9. **WHEREAS**, the Medical Assessment and Rating Board (MARB), National Medical Commission (NMC), after examining the application, the assessment report, the recommendations of the Expert Committee, the compliance submitted by the applicant institution, and all other relevant records in accordance with the National Medical Commission Act, 2019, the Undergraduate Medical Education Standards Regulations (UGMSR), 2023, the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, and the Public Notice inviting applications for the Academic Year 2026–27, ***has decided to approve the scheme and grant a Letter of Permission (LoP) under Section 28(3) of the National Medical Commission Act, 2019. During such examination, the***

following observations were noted. The institution shall rectify the same within the timeline stipulated in Paragraph 11(I) below and ensure continued compliance with the provisions of the National Medical Commission Act, 2019 and the regulations framed thereunder.

Sl. No.	Deficiencies (Based on the Comments of the Expert Committee)

virtual assessment, surprise inspection, or otherwise, MARB shall be at liberty to withdraw, cancel, or revoke this Letter of Permission. In addition, the institution shall be liable for such action as may be permissible under the National Medical Commission Act, 2019, including denial or withdrawal of recognition of the medical qualification and any other action deemed appropriate under law.

III. The medical college and its attached teaching hospital shall comply with all applicable statutory requirements, including those relating to **building safety, occupancy, fire safety, pollution control, environmental protection, biomedical waste management, radiation safety**, and all other approvals, licenses, and clearances required under the applicable laws.

IV. The medical college shall develop and maintain an official website containing updated information regarding the institution, including:

- a. courses offered and sanctioned intake;
- b. teaching faculty and their qualifications and experience;
- c. student admissions;
- d. affiliating university;
- e. hospital services and facilities;
- f. departmental infrastructure and equipment;
- g. OPD and IPD statistics; and
- h. Birth and death records maintained under the applicable laws.

V. The institution shall comply with the following additional conditions:

a. MARB reserves the right to withdraw, cancel, or revoke this Letter of Permission if it is found that the permission has been obtained by fraud, misrepresentation, suppression of material facts, or submission of false or fabricated documents.

b. MARB reserves the right to conduct physical and/or virtual assessments, including surprise inspections, at any stage and to take appropriate action based on the findings thereof.

c. The institution shall strictly comply with all the conditions stipulated in this Letter of Permission. MARB shall have the right to call for any information or conduct such an enquiry as may be necessary to verify compliance with these conditions in both letter and spirit.

d. MARB may take appropriate regulatory action against the institution for failure to maintain the standards prescribed by the Undergraduate Medical Education Board (UGMEB) or the Postgraduate Medical Education Board (PGMEB), as the case may be, including issuance of warning, imposition of monetary penalty, reduction of intake capacity, stoppage of admissions, or recommendation to the Commission for withdrawal of recognition, in accordance with the National Medical Commission Act, 2019, and the regulations framed thereunder.

e. The institution shall furnish all admission-related information within the timelines prescribed by the National Medical Commission from time to time.

Failure to submit such information within the stipulated period shall be treated as non-compliance with the statutory requirements governing admissions and may invite appropriate action under the National Medical Commission Act, 2019.
